### From Denver:

Take I-25 north to 36 West. From 36, take Eldorado Springs / Marshall / Louisville / Superior exit (170 W). At exit, go left over highway to first right, signposted 170 W (at Conoco). Follow that Frontage Road past Costco to Marshall (approx 3 miles) (Takes about an hour from most parts of Denver)

At Marshall, where the road appears to end, follow main road to the left. It will curve around to the traffic lights at the junction with 93/ Broadway. Go straight over 93 towards the Eldorado Corner market gas station.

...From the Eldorado Corner Market, take Eldorado Springs Drive (the road it is on) for almost 3 miles. Before you enter the canyon itself, on your right will be a mailbox that says the name "Bell" and the address is **3631 Eldorado Springs Drive**. If you choose to google it, the address is actually listed in Boulder, Co 80303, even though it is in Eldorado Springs. When you reach the mailbox, you will see parking spaces high up close to the road. Don't park there. Drive SLOWLY all the way down the long winding driveway as far as you can go to a large house and park in front of the house. You will pass a small house and a shed, just keep going till you reach the large house and parking space. Drive slowly as there are dogs, and puppies roaming! Come to the front door and knock or gently call for Leslie and I will meet you at the door.

Should you be lost, call **Leslie's cell phone at 303-818-9771**, otherwise please use the **business line at 303-494-6204** for normal business.
